# Do your best, Crono!

HA!

CLANG!

Kaneko Osamu

You IDIOT~~!  
Lay OFF  
a little!!!

...jeez! And  
to think the  
Millenial  
Fair's  
tomorrow...

If it's that  
weak it's  
worthless  
even for  
display!

After this, I  
wonder how  
your NEW  
invention  
measures  
up.

Urk

OH  
?!

You say  
that after  
you've  
seen it.

THAT thing  
is absolutely  
awesome!

Uh-  
huh

What  
the heck  
did you  
make,  
anyway?

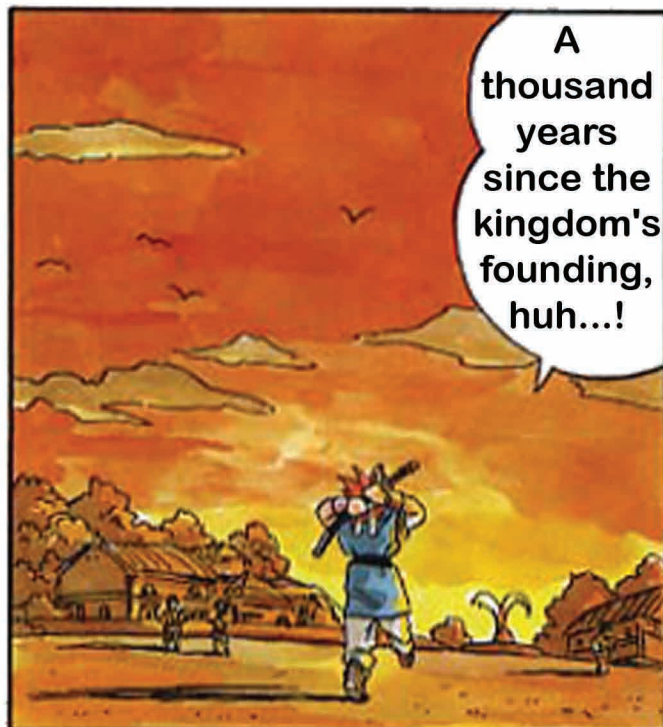

No, no,  
that's a  
secret!

You'll  
see it  
tomorrow,  
after all.

You  
better  
come  
see it!

Sure  
thing!

A  
thousand  
years  
since the  
kingdom's  
founding,  
huh...!

I wonder  
what it  
was like, a  
thousand  
years  
ago--

I get  
kind of  
excited  
thinking  
about  
it--

Allriiight!  
Hurry up  
and get  
here,  
tomorrow!!

Hurry  
up and  
SLEEP!!

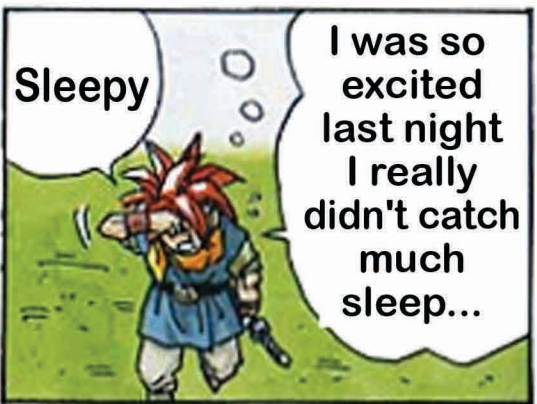

And so,  
the day  
of the  
Millennial  
Fair  
arrived.

Sleepy

I was so  
excited  
last night  
I really  
didn't catch  
much  
sleep...

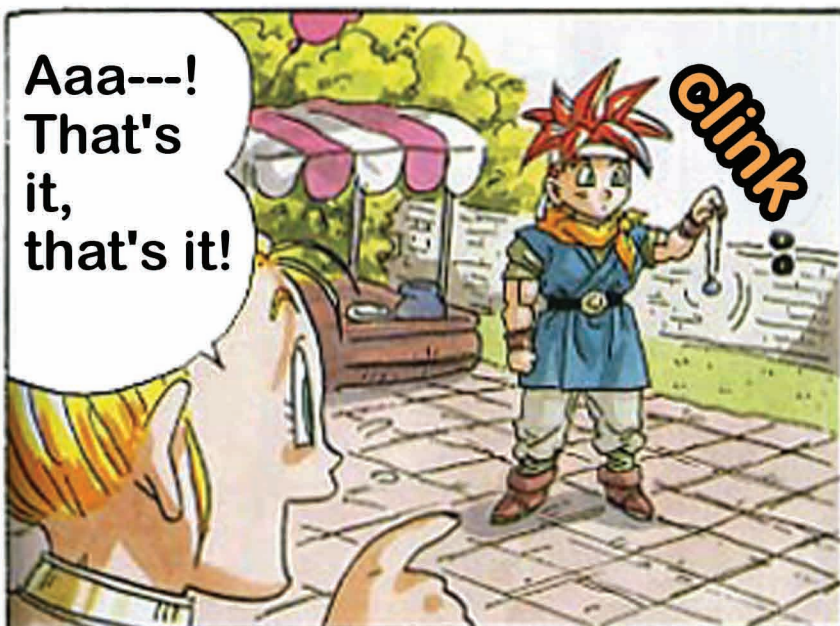

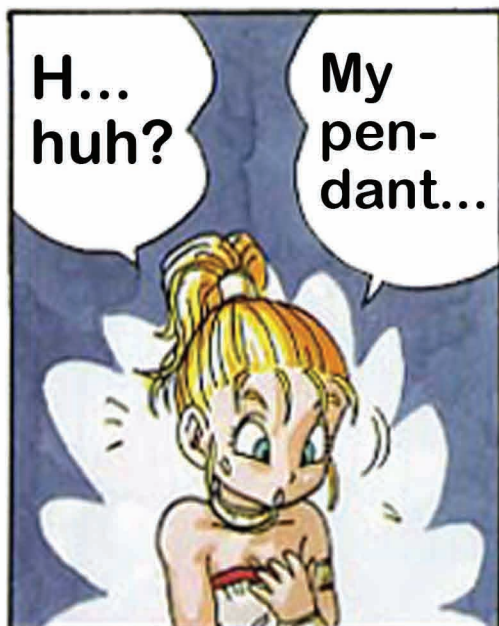

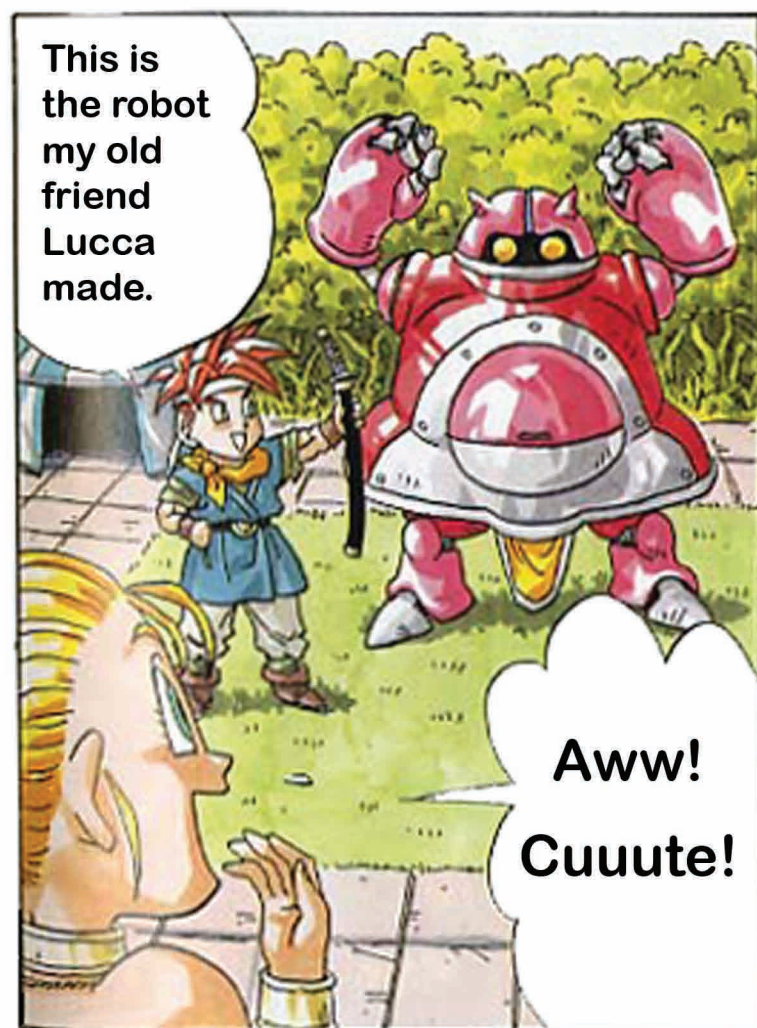

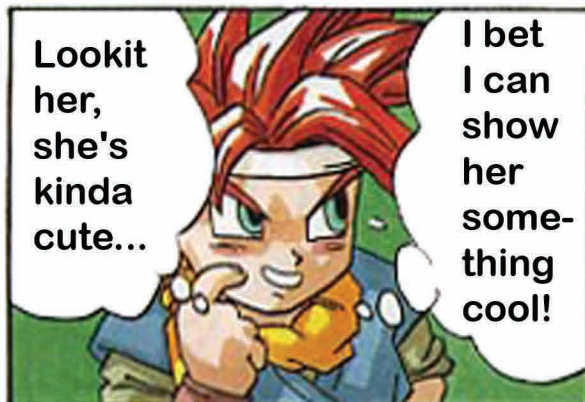

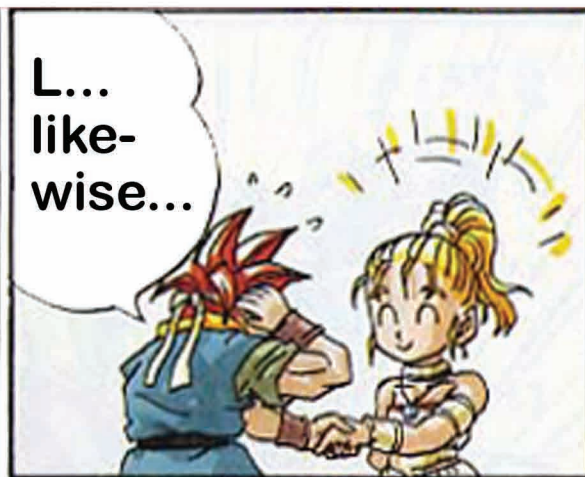

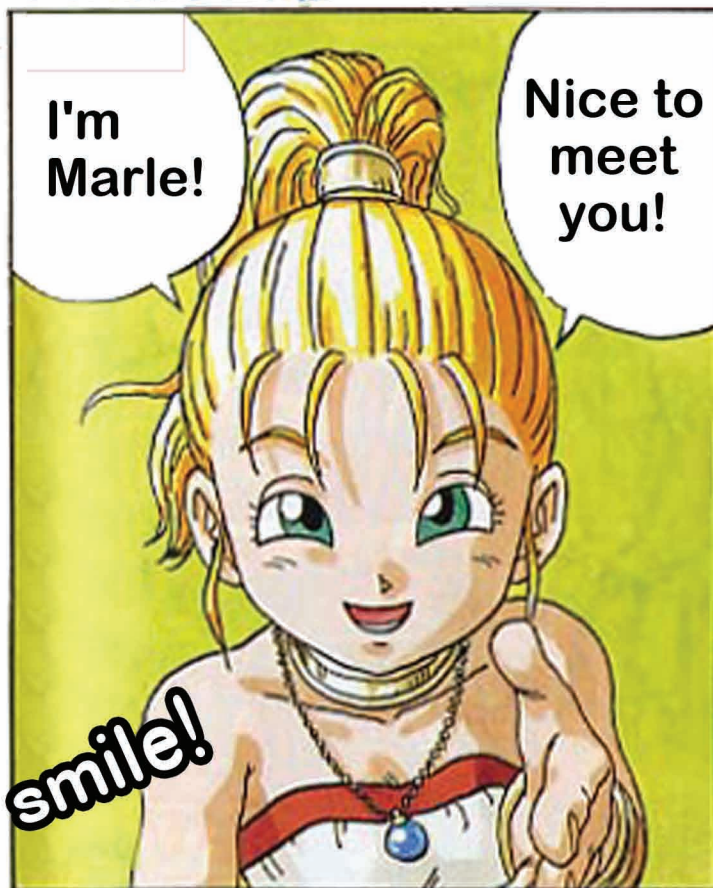

THE  
HELL  
I  
AM!!!

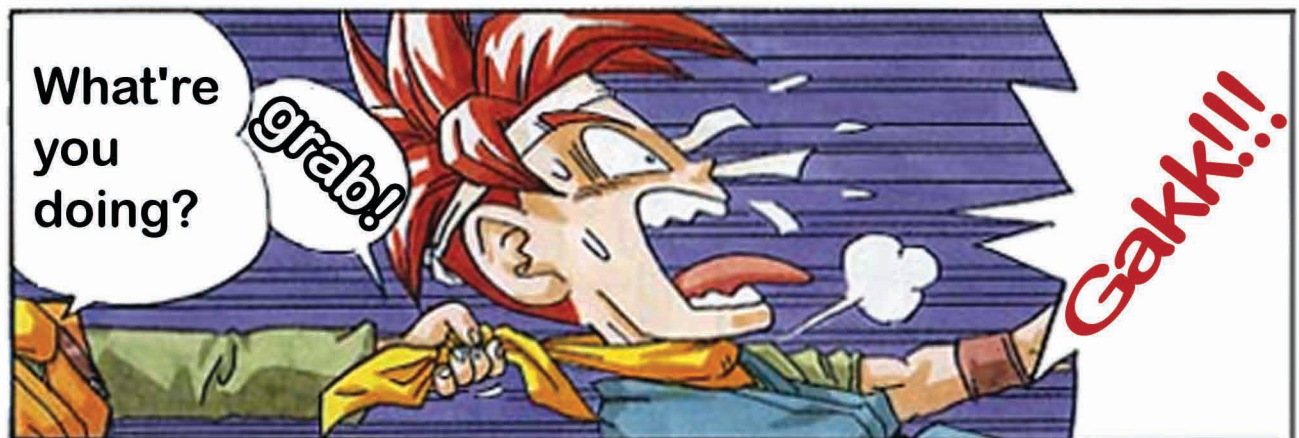

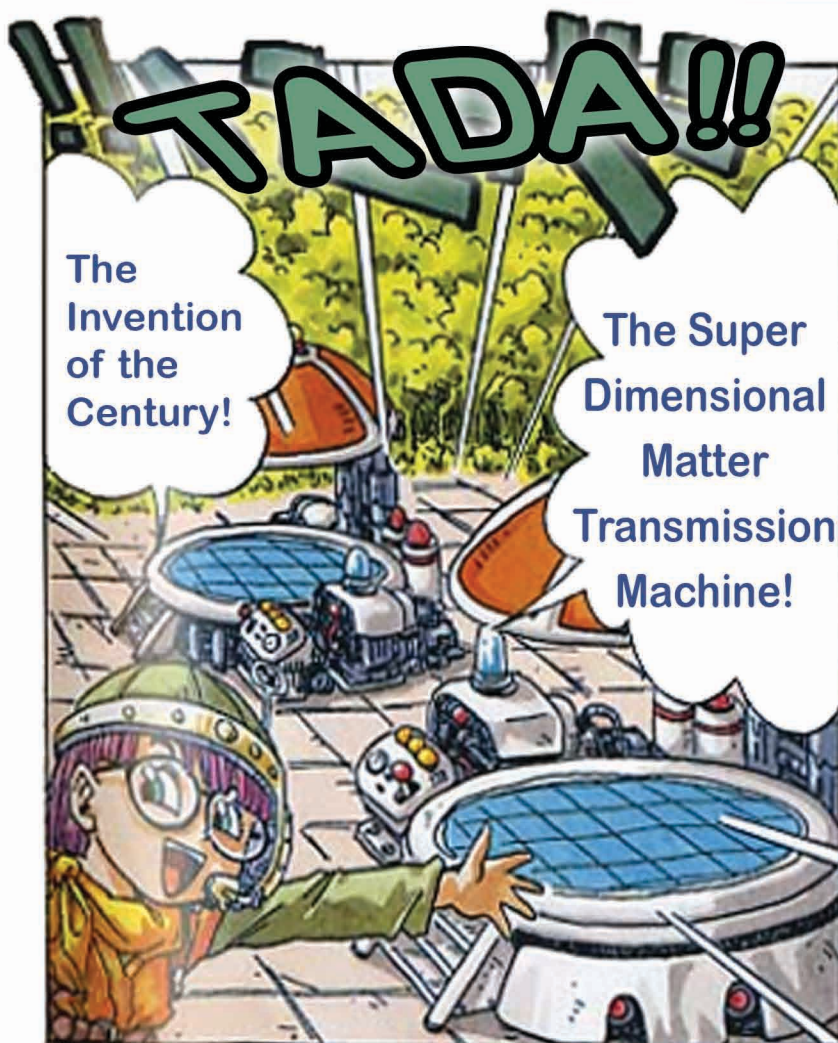

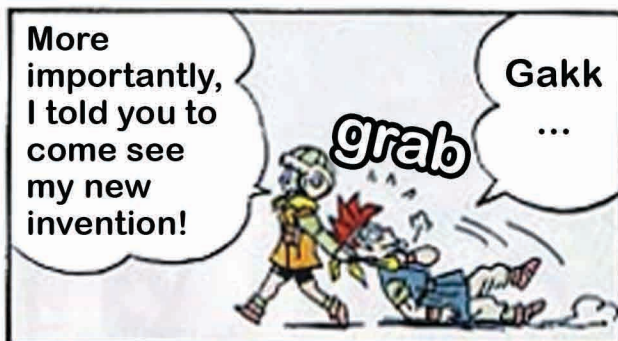

Note: 'Gyafun' is a Goofy-style noise. There's really no good translated sound effect, so just think of what Disney's Goofy sounds like whenever he flies off of a cliff.

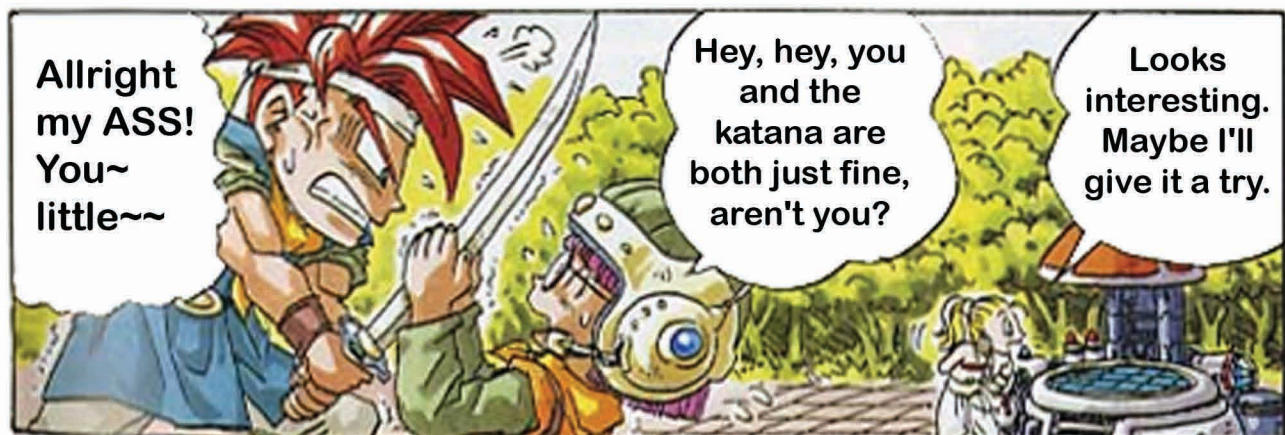

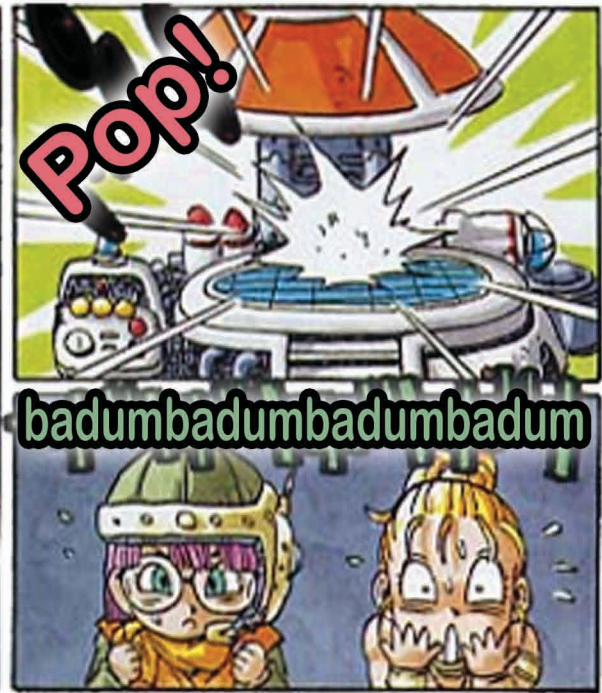

**And with this, Crono gets involved in all sorts of trouble!! Do your best!!!**
