

CHRONO

TRIGGER

MANGA

SQUARESOFT

Note: 'Gyafun' is a Goofy-style noise. There's really no good translated sound effect, so just think of what Disney's Goofy sounds like whenever he flies off of a cliff.

Lucca!

Whisper

He... hey isn't this robot stronger than it was yesterday?

Hohoho! You shouldn't underestimate Lucca the Genius.

You thought you'd show off to that girl, didn't you.

twinkle

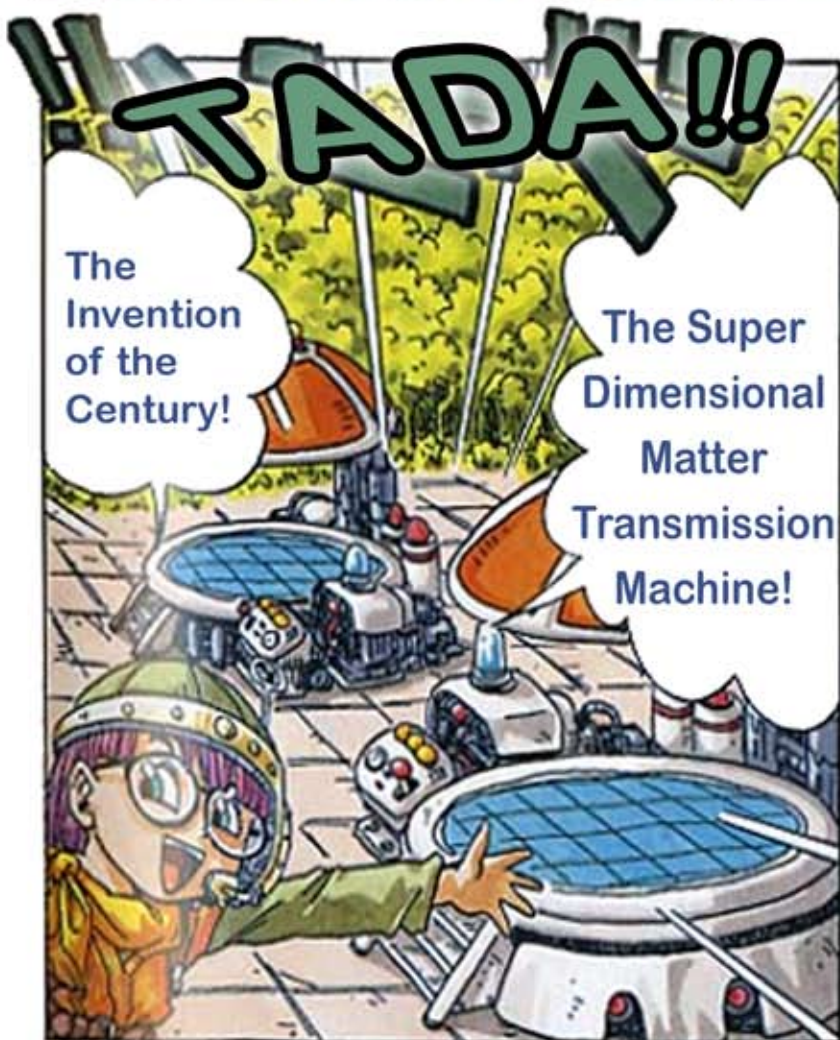

Erk!

More importantly, I told you to come see my new invention!

grab

Gakk ...

TADA!!

The Invention of the Century!

The Super Dimensional Matter Transmission Machine!

Stuff you put on here---

Gets instantly moved over here! Amazing, isn't it---!!

And with this, Crono gets involved in all sorts of trouble!! Do your best!!!
